The contractor herein acknowledges Addendum Nos. _____.

OWNER RESERVES THE RIGHT TO ACCEPT THE OVERALL MOST RESPONSIBLE BID.

The Bidder offers to construct the Project in accordance with the Contract Documents for the Contract Price, and to complete the Project within 170 calendar days from notice to proceed date or until funds are exhausted from the Contract. The Bidder understands and accepts the provisions of the Contract Documents relating to liquidated damages of the Project if not completed on time.

Complete the additional requirements of the Proposal, which are included on the following pages.

For Reference Only Not Acceptable For Bidding

BIDDER QUALIFICATIONS

BIDDER'S EXPERIENCE

In order to make a responsive Bid, the Bidder must provide evidence of a minimum of three (3) successfully completed water wells in the last five (5) years, meeting all the criteria listed below:

- Water wells constructed for public water supply to AWWA Standard A100-97;
- Water wells constructed with a final casing diameter of 12 inches or greater;
- Water wells constructed with a minimum total depth of 400 feet;
- Water wells constructed with gravel pack and stainless steel, rod-based screens; and
- Water wells constructed in the Carrizo-Wilcox Aquifer or similar aquifer.

All questions on this form must be answered and data given must be clear and comprehensive. If necessary, questions may be answered on separately attached sheets.

Number of years in business under current name (Minimum of three [3] years required). Changes in company name during the experience period are acceptable if the continuity of the company structure can be demonstrated, attach documentation if applicable):

List firm construction experience for water well projects that meet the criteria described above.
