OWNER RESERVES THE RIGHT TO ACCEPT THE OVERALL MOST RESPONSIBLE BID.

The bidder offers to construct the Project in accordance with the Contract Documents for the contract price, and to complete the Project within 540 calendar days after the start date, as set forth in the Authorization to Proceed. The Bidder understands and accepts the provisions of the contract Documents relating to liquidated damages if the Project is not completed on time.

Complete the additional requirements of the Proposal which are included on the following pages.

SAWS Job No.: 05-2502
Job Title: Central Watershed Sewer Relief Line (C-02) Project
Description: Sanitary Sewer Replacement
Solicitation No.: B08-026CZ

PIPE MANUFACTURERS: Each bidder shall circle the name of the manufacturer of the pipe which he proposes to furnish. Upon award of a contract, the named pipe shall be furnished. Only one manufacturer's name shall be circled. Substitutions will be permitted only if named pipe does not meet the requirements of the Contract Documents, the manufacturer is unable to meet the delivery requirements of the construction schedule, or the manufacturer is dilatory in complying with the requirements of the Contract Documents. Substitutions shall be a manufacturer from the approved list in the individual specification and shall be confirmed by a No Cost Change Order.

Preliminary acceptance of pipe listed by manufacturer's name shall not in any way constitute a waiver of the specifications covering such material; final acceptance will be based on full conformity with the Contract Documents.

The manufacturers listed herein are those listed as acceptable manufacturers in the individual specification. Alternate write-in manufacturers will not be accepted and bids will be considered non-responsive. Failure to furnish all information requested may be cause for rejection of the Bid.

No.	Section	Pipe	Manufacturer
1.	SP-1006	FRP	HOBAS Pipe USA
2.	SP-1006	FRP	US Composite Pipe South, LLC
3,	SP-1006	FRP	Future Pipe Industries, Inc.

In submitting this bid, the bidder represents to the Owner and Engineer that it:

- 1) Has examined, read and understands the Contract Documents;
- 2) Is familiar with the Project area and site, and all local, state and federal laws and regulations that in any manner may affect cost, progress, or performance of the work.
- 3) Has made and studied the results of examinations, investigations, and tests of subsurface and latent physical conditions which may affect the cost, progress or performance of the work that the bidder considers necessary to assure construction of the Project at the contract price within the contract time and in accordance with the Contract Documents, and no additional examinations, investigations, tests, reports, or similar information will be required by the bidder for these purposes.
- 4) Has review all information in the Contract Documents with respect to existing underground facilities at or near the Project site, and the bidder assumes responsibility for the exact nature and location of these underground facilities; and no additional examinations, investigations, tests, reports or similar information will be required by the bidder in order to construct the Project at the contract price within the contract time and in accordance with the Contract Documents, including the General Conditions;
- 5) Has correlated the results of all such observations, examinations, investigations, reports and studies with the terms and conditions of the Contract Documents; and
- 6) Has given the Engineer written notice of all conflicts, omissions, errors or discrepancies discovered in the contract documents and the written response or resolution of the issue by Engineer is acceptable to the bidder.

The bidder certifies that it is familiar with the statutory obligation to provide workers' compensation insurance coverage for all employees engaged in work on the Project, and that, if awarded the contract, the bidder will ensure that this coverage is maintained in full force and effect for all of its employees and for all employees of subcontractors engaged in work on this Project, and will provide certificates of insurance for all coverage to the Owner.

BID PROPOSAL

Accompanying this proposal is a Bid Bond or Certified or Cashier's Check on a State or National Bank payable to the Order of the San Antonio Water System for _____ dollars (\$_____), which amount represents five percent (5%) of the total bid price. Said bond or check is to be returned to the bidder unless the proposal is accepted and the bidder fails to execute and file a contract within 10 calendar days after the award of the Contract, in which case the check shall become the property of said San Antonio Water System, and shall be considered as payment for damages due to delay and other inconveniences suffered by said San Antonio Water System due to the failure of the bidder to execute the contract. The San Antonio Water System reserves the right to reject any and all bids.

It is anticipated that the Owner will act on this proposal within 60 calendar days after the bid opening. Upon acceptance and award of the contract to the undersigned by the Owner, the undersigned shall execute standard San Antonio Water System Contract Documents and make Performance and Payment Bonds for the full amount of the contract within 10 calendar days after the award of the Contract to secure proper compliance with the terms and provisions of the contract, to insure and guarantee the work until final completion and acceptance, and the guarantee period stipulated, and to guarantee payment of all lawful claims for labor performed and materials furnished in the fulfillment of the contract.

It is anticipated that the Owner will provide written Authorization to Proceed within 30 days after the award of the Contract.

The Contractor hereby agrees to commence work under this Contract within seven (7) calendar days after issuance by the SAWS of the written Authorization to Proceed. Under no circumstances shall the work commence prior to Contractor's receipt of SAWS issued, written Authorization to Proceed.

The undersigned certifies that the bid prices contained in the proposal have been carefully checked and are submitted as correct and final.

In completing the work contained in this proposal the undersigned certifies that bidder's practices and policies do not discriminate on the grounds of race, color, religion, sex or national origin and that the bidder will affirmatively cooperate in the implementation of these policies and practices.
