The authorized companies included in this list, have met the minimum insurance qualifications established by San Antonio Water System and have been authorized to test backflow prevention assemblies that provide protection to the distribution of water and reuse water utilities. It is the responsibility of these companies to keep all insurance current. SAWS, does not endorse any one company, and is not responsible for any damages caused by the company or the backflow prevention assembly tester. Please direct questions or comments to the Backflow Prevention Section 233-3332.
