

San Antonio Water System Standard Specifications for Construction

**ITEM NO. 903
CONSTRUCTION QC/QA PROGRAM**

DESCRIPTION: This item shall govern the preparation and implementation of the Contractor's Quality Control/Quality Assurance (QC/QA) Program for the specified project. The Construction QC/QA Program is a guidance document which outlines general activities, procedures and reporting requirements for the contractor to prepare a project specific QC/QA Plan. The contractor shall prepare and implement their project specific QC/QA Plan throughout the construction phase of the project.

The contractor shall submit the project specific QC/QA Plan and receive approval of the plan by SAWS prior to the beginning of the construction phase of the project.

MEASUREMENT: Measurement of the Item, "Construction QC/QA Program," as specified herein, will not be measured for payment.

PAYMENTS: No direct payment shall be made for incidental cost associated with preparation and implementation of the Contractors project specific QC/QA Program.

IMPLEMENTATION: The implementation of this specification for SAWS construction projects will begin on all contracts executed after November 1, 1999.
