Turf-to-Hardscape Rebate Application

Customer Information

Customer name: _____

SAWS account number: _____

(Water customers only)

Address: _____

Day phone: _____ Evening phone: _____

E-mail: _____

Here's how it works:

- Download the application from SAWS Web site
- Convert a minimum of 500 square feet of turf to pervious hardscape (pathways not eligible)
- Take before and after photos of the converted landscape. Photos must clearly show conversion of turf areas to pervious hardscape.
- Mail this completed form to SAWS, along with your photos and receipts.
- Receive a \$150 credit on the water bill within two billing cycles.
- An inspection may be required to verify eligible landscape installation.
- Limit one rebate per household.

Acknowledgements

(please check and initial each):

- _____ I understand this is for new hardscape that replaces turf only.
- _____ I understand that this rebate is for pervious hardscape only. No rebates will be given for solid surfaces such as concrete, asphalt or mortared brick or stone.
- _____ I understand that driveways, sidewalks and paths are not eligible for this rebate.
- _____ I understand that I may be asked to provide feedback on the effectiveness of my turf conversion efforts.
- _____ I understand that this rebate is only in the form of a credit on my water bill.
- _____ I understand that I must be a SAWS water customer to qualify for conservation rebates. (Sewer-only customers not eligible.)
- _____ I understand that an incomplete application will delay my rebate.
- _____ I understand that applying for the rebate is not a substitute for payment on my regular water bill.
- _____ I understand that this rebate program is for a limited time only and that it is my responsibility to check SAWS Web site for the rebate status.
- _____ I agree to maintain my landscape in a water-efficient manner and comply with all local ordinances regarding the use of water.
