Advisory of New Water and Wastewater Rates and Implementation of 6th Year Water Supply Fees

San Antonio Water System is required by law to publish our new rate schedule for water and wastewater and water supply fees. These new rates will become effective for billings on or about January 1, 2006. If you'd like more information or assistance on estimating your bill, contact SAWS at 704-SAWS. An online rate calculator is also available at www.saws.org.

Definitions

Seasonal Rates: Water rates charged between July 1 and October 31

Standard Rates: Water rates charged between November 1 and June 30

General Class: Includes Commercial, Industrial, and Apartment Customers

Irrigation Class: Customers that use water for landscaping, either through a separate meter or through a pro-rated amount of monthly water use. New business service accounts are required to install separate landscape irrigation meters.

Wholesale Class: Customers who have entered into contracts for wholesale water and/or sewer service with SAWS

Base Consumption: 90% of average monthly consumption of prior year

Inside City: Rates charged for customers living inside City of San Antonio City Limits

Outside City: Rates charged for customers living outside City of San Antonio City Limits.

Winter Average Consumption: The fee for sewer service is based on the average monthly consumption of water during three complete consecutive billing periods beginning on or after November 15 of each year and ending on or after three full billing cycles in March.

Wastewater Customers of Other Cities: A different rate may apply to customers being billed by SAWS for wastewater for other municipal bodies.
