

San Antonio Enviro-Snack

Completion Time

20 Minutes

Materials

- Chocolate Graham Crackers...soil
- White spreadable cake frosting...adhesive
- Chocolate kisses (2 or 3)...Texas Hill Country
- Green sprinkles...grassland
- Green tree nonpareils (evergreen shape)...forests
- Small marshmallow or whipped topping...clouds
- Tube of blue cake icing (no gel)...lakes and streams

Procedure

1. Assemble the Enviro-Snack by spreading frosting on a full size Graham Cracker.
2. Add chocolate kiss hills as desired.
3. Sprinkle with green grassland sugar crystals.
4. Place the evergreen nonpareils to create a forest area.
5. Add blue icing to form hill country waterfalls, rivers and lakes.
6. Add as many marshmallow clouds as you like.
7. Now eat your Enviro-Snack and enjoy!

What your Enviro-Snack may look like.
