

Celebrate Drinking Water Week

San Antonio Water System invites you to celebrate **Drinking Water Week** with us from May 3-9! The American Water Works Association and its members, like SAWS, have celebrated Drinking Water Week for more than 40 years to recognize the vital role water plays in our daily lives. Here's how you can learn about and show your appreciation for water:

How to Participate: Teachers, parents and students, kinder through 5th grade, are encouraged to participate in learning activities created by SAWS Education to learn about their drinking water.

How to Share: Once you've completed the activities or projects, feel free to post a video or picture of your participation on your Facebook, Twitter or Instagram accounts and be sure to tag @mysaws in the post so we can see it! And be sure to use the hashtags: #DrinkingWaterWeek and #SATXstrong.

This is just another way we, as a community, can come together to celebrate our valuable resource!
